PLATFORMS & WALKWAYS

Hinged Folding Platform

Our hinged folding platforms are offered in three standard sizes but can be made custom to fit your boat lift application, sea-wall, or dock. This platform gives you the ability to board your vessel and close the gap or extended distance between your boat and dock or sea-wall. The platform also folds up and locks into place so it can be out of the way when needed.

Boarding Platform

Manufactured in two standard sizes, 3' X 4' & 3' X 5'. Made to mount directly to the dock and fill the gap between dock and boat lift for ease of boarding.

Stern Platform

Made to provide access to your out drives or motors. Standard length is 16'.

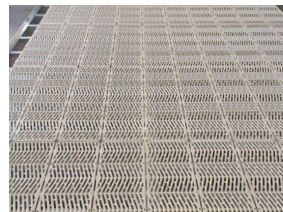

Walkway

Used to allow greater access to your boat for boarding and cleaning. Standard size is 15.5 inches wide or 12" wide with lengths up to 24' long.

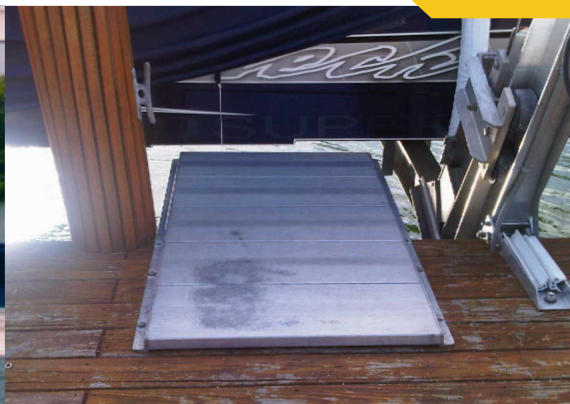

Stairs/Steps

Made to give even greater access to your boat and to attach to our standard walkways. Standard sizes: 2 Step, 3 Step, 4 Step (8 inch step rise). Larger sizes are available upon request we can even add hand rails if required.
