8-POST: BREAKING OUT THE BIG GUNS

Golden's 8-Post Lift was engineered and designed to withstand the harshest saltwater conditions. This traditional, cable-drawn & shafted-beam boat lift is mounted on eight pilings. It features four patented Golden Sea-Drives® and is built from 6061-T6 marine-grade aluminum and 300 Series Stainless Steel hardware. The Golden 8-Post lift has outstanding capacities ranging from 32,000lbs to 240,000lbs and is backed by the best warranty in the industry.

8 - Post Lift Capacity

32,000 - 40,000lbs
